

# FALCONS (SYD) TOFF IN TOWN, MELB SUN 18TH SEPTEMBER

Long time friends and musical peers Steve Balbi and Simon Meli join forces under the guise of **Falcons** for one night only in Melbourne on Sunday 18th September at The Toff In Town where they will be appearing on stage to share each other's music...by song and by tale.

After a successful maiden performance in Sydney in June, The Vanguard could not fit another soul in the Newtown Jook-Joint, and meanwhile **Falcons** could hear calls from south of the border...it was only a matter of time before they would head to Melbourne.

Steve Balbi (Falcon 1) is Australia's true Electric Hippie. Known for playing bass in Noiseworks, and his mid 90's pop-soul duo Electric Hippies with fellow Noiseworks member Justin Stanley. Born on the solid premise of 'giving with what you're born with' Steve's arms around you presence is felt by the many, not only in voice or his charisma but in pure emotion.

Simon Meli (Falcon 2) is inspired to the bone by soul music, the young falcon has grown into one of this country's fondest emerging soul voices and performers, having supported Tony Joe White, Bon Jovi, Paul Weller, Jimmy Barnes and Ash Grunwald. It is his new movement The Widowbirds that has catapulted the songwriter into his next acclamation.

Sunday 18th of September will see The Toff in Town host these Maltese blood brothers **Falcons**, from the same small city, from the smallest country in the world, opening up their whole world to you through song and conversation. Don't miss it!
